

Katrina del Mar: Movie Mayhem!

About Katrina del Mar: Filmmaker, photographer, artist and producer of *massive collisions of talent and beauty*, Katrina del Mar triumphs in the underground, revels in the grit and lathers on the beauty in these short films. Katrina's first film, **Gang Girls 2000**, shot entirely on super 8mm film, received a 4 ½ star review in Film Threat Magazine, and received glowing reviews from the press, even inviting comparisons to the legendary Kenneth Anger.

The follow up, "**Surf Gang**" about a gang of women surfers from Rockaway Beach in New York City, landed Katrina a prestigious **Fellowship in Video** from the **New York Foundation for the Arts (NYFA)** and **Best Experimental Film Award** from the **Planet Out Short Movie Awards** announced at the Sundance Film Festival in 2006.

Katrina is presently working on a third girl gang film, **Hell On Wheels Gang Girls Forever**, is co-writing a TV series called **Fashion Ass** with Genevieve Pavitt, and is shopping her feature script on rocknroll vampires.

Her first book of photographs, **Sweating Gasoline, Reaching for a Match** will be published in 2010.
